

Capuchin friars and Franciscan family present now stand and face the ministers.

We stand before You, Most high, almighty, good God.

We are Yours; servants and ministers.

As leaders of communities of faith we will promote dialogue and respect for all those who seek the truth.

As teachers of others we will lead by example in promoting peace, justice and respect for the created world, caring for all that you O God have given us.

As sons and daughters of God and followers of St. Francis, we will speak and act humbly and wish peace and goodness to all.

Leaders: We accept your holy intention and bless the path you walk.
