General Minister of the Order of Capuchin Friars Minor

To my Brother in Christ, Mark Joseph Costello, OFM Cap  
Provincial Minister of the Province of Calvary

Peace and greetings in the Lord!

---

In the month of November 2023, the current triennium of the Province of Calvary expires. As General Minister, I, with the consent of the General Council and in accordance with the Constitutions of the Capuchin Friars Minor (n. 129,2), hereby grant permission to you and your Provincial Council to announce and convoke the Chapter of the province. The friars shall gather from June 5 to 9, 2023, for the purpose of electing a Provincial Minister and Council, and for reviewing the life of the province.

Br. Celestino Arias, General Councilor, will preside at the Chapter.

It is my prayer that the friars of the province may proceed toward this assembly in joy and peace. May the clear light of the Holy Spirit illumine your minds that you may see the possibilities presented to you by God's grace and find the courage to respond generously.

Given in Rome at the General Curia,  
23 March 2021

  
Br. Roberto Genuin  
General Minister, OFM Cap.
