Dear Br. Mark Joseph,

*May the Lord give you his peace!*

Thank you for your recent letter of January 8, 2024, in which you requested authorization to convoke the Chapter of your province from June 1 to June 5, 2026.

At the present time, I can let you know that the above dates you have chosen are granted, but we must wait until after the celebration of General Chapter to prepare the official decree of convocation and also to indicate who will preside at the Chapter (whether it be the General Minister himself or his delegate).

I pray in any event that you and all the friars of the province have a wonderful celebration of Chapter in June 2026. May it be an event full of fraternal joy and blessings from heaven!

Fraternally,

  
Br. Roberto Genuin  
General Minister OFM Cap.
